8. Brief description, **50 words or less**, of why you chose this particular painting to copy in your special way: (Visitors very much enjoy reading these descriptions!)

(SAMPLE: Christina’s World is probably Andrew Wyeth’s most famous work. His style is very different from my own, so I thought this painting would be both fun and challenging. It was also my mother’s favorite painting, so it has sentimental significance fo me.)

Please contact Judy Brubach if you have difficulty attaching the image.

Suggestion: find an image of the painting online, then, copy/paste it into your email message.
